payment, such provision is set forth in paragraph (c).

(a). Claims to Which § 506 Valuation is NOT Applicable. Claims listed in this subsection consist of debts secured by a purchase money security interest in a vehicle for which the debt was incurred within 910 days of filing the bankruptcy petition, or, if the collateral for the debt is any other thing of value, the debt was incurred within 1 year of filing. See § 1325(a)(5). After confirmation of the plan, the Trustee will pay to the holder of each allowed secured claim the monthly payment in column (f) based upon the amount of the claim in column (d) with interest at the rate stated in column (e). Upon confirmation of the plan, the interest rate shown below or as modified will be binding unless a timely written objection to confirmation is filed and sustained by the Court. Payments distributed by the Trustee are subject to the availability of funds.

(B). Claims Secured by Real Property Which Debtor Intends to Retain. Debtor will make all post-petition mortgage payments directly to each mortgage creditor as those payments ordinarily come due. These regular monthly mortgage payments, which may be adjusted up or down as provided for under the loan documents, are due beginning the first due date after the case is filed and continuing each month thereafter, unless this Plan provides otherwise. Trustee may pay each allowed arrearage claim at the monthly rate indicated below until paid in full. Trustee will pay interest on the mortgage arrearage if the creditor requests interest, unless an objection to the claim is filed and an order is entered disallowing the requested interest.

(C). **Surrender of Collateral**. Debtor will surrender the following collateral no later than thirty (30) days from the filing of the petition unless specified otherwise in the Plan. Any claim filed by a secured lien holder whose collateral is surrendered will be treated as unsecured. Any involuntary repossession/foreclosure prior to confirmation of this Plan must be obtained by a filed motion and Court order, unless the automatic stay no longer applies under § 362(c). Upon Plan confirmation, the automatic stay will be deemed lifted for the collateral identified below for surrender and the creditor need not file a Motion to Lift the Stay in order to repossess, foreclose upon or sell the collateral. Nothing herein is intended to lift any applicable co-Debtor stay, or to abrogate Debtor's state law contract rights.

Trustee is authorized to increase this dollar amount or percentage, if necessary, in order to comply with the applicable commitment period stated in paragraph 2 of this Plan.
- 8. **Executory Contracts and Unexpired Leases**. The following executory contracts and unexpired leases are assumed, and payments due after the filing of the case will be paid directly by Debtor, not through Trustee, as set forth below in column (c).

Debtor proposes to cure any default by paying the arrearage on the assumed leases or contracts in the amounts projected in column (d) at the same time that payments are made to secured creditors. All other executory contracts and unexpired leases of personal property are rejected upon conclusion of the confirmation hearing.

- (C). **Other allowed secured claims:** A proof of claim which is filed and allowed as a secured claim, but is not treated specifically under the plan, shall be funded with <u>3</u>% interest as funds become available after satisfaction of the allowed secured claims which have been treated by the plan and prior to payment of allowed non-administrative priority claims (except domestic support obligation claims as set forth in paragraph 5(A), above) and general unsecured claims. Notwithstanding the foregoing, the Debtor or any other party in interest may object to the allowance of the claim.
- (D). Claims subject to lien avoidance pursuant to 11 U.S.C. §522(f): The allowed secured claim of each creditor listed below shall not be funded until all allowed, secured claims which are being treated by the plan are satisfied. If an order is entered avoiding the creditor's lien, that creditor's claim shall be treated as a general, unsecured claim to the extent it is not otherwise secured by property of the estate and treated by the plan. To the extent that the creditor's lien is not avoided and is not otherwise treated by the plan, the secured claim shall be funded as set forth in the above paragraph.
